“ I hate to say goodbye sweet cousin. I will miss our talks. Wish I would have talk to you longer the last couple of times we were on the phone. Had so much fun growing up with you and when you were here in Arizona. Also our road trip to the Grand Canyon with my Mom and Mickie. That was the best. Love you. I know you have given folks some great signs that you are around. I know you are in another realm and I will see you again. Joanne

“ I remember when me and my sister went swimming at with Lori at her house on the lake. I got pulled under water and I remember being too scared to go back in the water after that. The last time I remember seeing you Lori was at the Black River Party Store, I remember saying hi and surprised that I saw you there.
