“ *What a beautiful person. We went to high school together, both living in Detroit. I had hoped to see her at our high school reunion, but wasn't to be as Pat and Don said she was due to have heart surgery soon. My deepest sympathy to you Dave and your children.*

“ *We will always remember all the good, fun times we shared. Lorraine had a smile that lit up a room and her laughter was contagious. There were times we laughed so hard, the tears just ran down our faces. Dave and Don would just shake their heads and smile. I will never forget when Lorraine, Karen and Nellie left Brandys shower and Nell had to drive home, Dave wanted to know what was the name of the bar they were at!!!!!! What a good time we had. God Bless you Dave, Steve, Lisa, Steve, Natalie, Lorrie, Todd, Jake and Gregory. Remember all the good times, fun and laughter you shared with Lorraine.*

“ It didn't matter whether we were at Plumbrook or on the Sunday league or at Crystal Mountain or at Martha's condo, we enjoyed each other's company. All of your wonderful stories kept us in stitches. You were a true friend and seeing you and Dave holding hands for over 50 years of marriage was a tribute to your love for one another. Gene will always say that Lorraine could see a ball in the distance better with one eye than the rest of us could with two. You were the sunshine in all our lives and you will be greatly missed.

“ Steve,
There are no words that can properly express our sadness for your loss. There are people we know, and then there are people like your mom who truly touch our lives. Our memories will always include her smile, wonderful stories and her great laugh! Our caring thoughts are with you, your dad and your family during this difficult time.

“ It was a pleasure knowing Lorraine. She had a bubbly personality, was always upbeat and laughing which always made you want to laugh with her. Lorraine and Dave had a great life together and made so many memories. They liked to travel and saw many wonderful sites. Of course we can't forget the golf as she was an avid golfer. We will miss her. Our condolences to Dave and his family

“ Our memories of Lorraine are oh so many. Your bright personality lit up the room at your entrance of the door. Those memories we will never forget. The good times were many and our family was very lucky to have her be a big part of our lives. Dave was the preacher & Lorraine was the " go get them you can do it" inspiration. We will miss you. Your love and inspiration will be carried on by your loving family. YOU WERE A GREAT FRIEND. The Bollmann family.

“ *The love of golf brought us together with Lorraine and Dave which resulted in a close friendship. We spent many wonderful times together on vacation playing golf and card games which she also loved. Music was a big part of Lorraine's life and she knew the words to almost every song and could be heard singing along. Lorraine had a smile and laughter that was contagious. She loved the beauty of nature and was always reminding us to look for the flowers and wild life on the golf course
We will always remember the wonderful times we shared.*

“ *Dave and family:
Lorraine will be missed. I can still hear her laughter. We always had such fun while golfing - our trips to Tennessee and our off season dinners. Lorraine always had such a positive outlook and always had a smile on her face. We will keep you and your family in our prayers.*

“ Lorraine Mack brought joy with her wherever she went. Her photo truly reflects the person she was. When I first met her, she encouraged me to never give up playing golf even though I was scoring so high there was barely room on the score card to record my efforts. She and my husband, Dennis, had an ongoing competition to have the best golf score and Lorraine always bargained with him for strokes. She made every get together a party filled with laughter. We will always miss her and treasure our memories of the time we spent with she and Dave. Karen and Dennis Kozyan

“ My wife and I remember Lorraine as teenagers growing up in Detroit, and especially at the church (Bethany Presbyterian). She was always a very pleasant person, and fun to be around. I also played softball and basketball on Bethany teams with Dave, and Lorraine was at many of those games. She was a great person.

“ Lorraine was a great woman and will be missed terribly. I was her daughter n law for about 20, years ...what I loved about her was her positive outlook on life and her living her life to the fullest. Her marriage to Dave ..wow we should all be jealous ..those two were true loves and so in sinc with each other..it was a true friendship and love ..they always had each others backs.
