“ She was my father's sister and my godmother. I spent many, many weekends on the farm in Yale with my family and then later on with grandpa and grandma Koliba. I just remember that there was a whole lot of love there because of her. I hardly ever saw her sit around. She was always busy on the farm and taking care and feeding her family. And oh that Polish food! Many good times, many gatherings of friends and family and lots of fun! And at times my Aunt Lorraine and her family was an anchor that I held on to. We always somewhat kept in touch but with Facebook we rekindled our relationship through Carol Ann and I'm so glad! These last several years were precious beyond anything! The visits with her we're just as sweet as ever! She was always so encouraging right up to the end! She will be greatly missed but I know she is with her Lord and Savior. I know someday I will see her again! I am eternally grateful for my Aunt Lorraine!!!!

“There’s magic in a Mother’s touch, and sunshine in her smile. There’s love in everything she does to make our lives worthwhile. We can find both hope and courage just by looking in her eyes. Her laughter is a source of joy, her words are warm and wise. There is a kindness and compassion to be found in her embrace and we see the light of heaven shining from a Mother’s face.” Author Unknown
