“ *Thank you sister Dottie for bringing Lyman into our family. We all loved him. You and he gave us Crystal and Rod, who are in my thoughts and prayers now. Just before he got sick while visiting me he said with a big smile he said,guess what I found out. I can come see you for 40 cents anytime I want.. yes you can I said. Will miss him, but all I have to do is look at Crystal and I will see a lot of him in many ways. Forever in my heart. Love you Crystal and Ken. Aunt Pat*

*Crystal I'm so sorry to hear about your dad's passing. I have many fond memories of him. I remember going with Rod to your dad's house out in Ortonville and staying for the weekend. I remember one time your dad wanted Rod and I to pick up rocks from the front yard and get rid of them, well your brother told me to toss them into the neighbors yard and one of the rocks broke the neighbors windshield. Needless to say we told no one but I'm pretty sure your dad took the heat for us. He was good man and I loved his smile. Now he can Rest In Peace and visit family in heaven.*

“ Did I ever tell you about the time the horse 🐎 kicked me ? Just one of the many stories dad told. I'm 86 years old what do expect Cris? That was another one of my favorites. He was a Gem and an angel on earth. Love and miss you dad.

“ *Dear Beautiful Grandfather,  
You were our angel on earth and now you are  
an angel in Heaven. I wish I had more time  
with you, but the time we shared was  
precious as you and we will miss your cute  
little smile and laughs as we talked with you on the phone. Jonathon  
loves you so much, and you are always in our heart and whenever  
you feel, please come and visit. You know what I mean. Loved our  
conversations, just a small package with a huge heart. We will keep  
our promises. Miss you so much.  
~ Love always and forever~

“ Lyman : Kind, caring, generous friend, Who was at peace , enjoying his visits with Chrissy as she called daily , and traveled frequently from her Canadian home . When Lyman lived in Ortonville , michigan we visited Lyman while he was seated by his cozy fire by the white pines where he was feeding seed out of hand to a pair of Sandhill cranes and their chicks which returned every year to his care ~\* Near neighbors here ,were at a loss when Lyman´ moved from their lives ~\* ”

*We will miss you dear friend. Such a kind, gentle man! Always helping anyone who was in need. I will remember our talks, and laughter. A nature lover, we enjoyed sharing stories of our adventures with wildlife. I will miss grabbing a coffee for you on Sundays when you walked in the door at church. And my visits with Chrissy when she came to church with you on Saturdays. We send love and prayers for your family! Send us a message from heaven, dear friend.*
