“ Trevor & Corey,

How very saddened we were to learn of your Mom's passing. Your hearts are aching we're certain. I remember how very much she loved you as you were growing up and what a good mother she was. Good memories for us when you were little boys & how we'd meet half way to pick you up and bring you to Greensburg for a visit for a few days. She was always so kind & willing to share you with us for those days. She was a kind & caring person to many & to us as well.

Life has it's "twists & turns" & sometimes things happen that change our lives completely.

Please be strong now & make her proud. Look to God for strength & listen to Him for answers. You won't hear an audible voice but He can send answers through others you can trust or situations that may happen & you may feel His presence & know those are signs of His loving care & guidance for you both.

We both love you & miss you so very much!! It has been so long since we've seen you or even talked. Sometime in a few months we'd love to gather together as a family for a reunion time of together. Your Dad, Aunt Sarah, Uncle Dave, Stuart & his 5 year old son Liam & of course your Mamaw & Papaw. We all love you & we can't let small grievances keep us apart or from communicating.

You both should realize now how short life can become very quickly. Remember, WE LOVE YOU & hold you tight in our hearts especially now & always.

Be strong through these difficult days & we're thinking of you both & your Grandma too.

Love & Hugs!

Mamaw & Papaw
