“ *Laverne was a loving and caring person. We met her and Walter in our Life group years ago. Also in our JOY group. She was fun to be with as was Walter. Our deepest sympathies to their family. They will be forever etched in our hearts. I remember Laverne saying that the sharps and flats were hard to play on the piano. I remember her making candy to send to her family one Christmas. She was a great cook. We were so blessed to have her in our lives. She brought so many good things to the group.*
