

Marcel Mesclier

December 4, 1934 - August 1, 2023

Marcel (Mitch) Mesclier

12 Dec 1934 – 1 Aug 2023 Age: 88

Mitch was born and raised in Detroit by his parents, Jean and Elizabeth Mesclier, with his two siblings

John Mesclier and Joan Drake. He attended Chadsey High School, enlisted in the Navy at the age of 17,

honorable discharge in 1955. Met his wife, then Linda Wheeland, on a Greyhound bus where her

friendliness, wit and blue sweater sealed the deal. They were married 22 June 1957.

They purchased a home in Warren where they raised four children: John “Butch” (Kathy), Guy (Darlene), Thomas (MaryAnn) and Susan.

Mitch was a Tool and Die Maker by trade – retired from Ford Motor Company in the late 90’s. Him and

Linda moved to Algonac in the late 80’s to be on the water and rekindle Mitch’s love of boating and

fishing. During their retirement Mitch and Linda upgraded to snow birds; they were able to travel to

Florida every winter, meet a lot of new friends and loved hosting their children and grandchildren for

beach, pool, and putt-putt game days.

Mitch, as of now, has 12 grandchildren and 6 great-grandchildren. He enjoyed woodworking, card games – particularly euchre, being a member of the Lions Club, and going to Trinity United Methodist church in Algonac.

Celebration of life will be on Friday 4 August, 2023 at the Algonac Lions Club: 1905 Mill Street, Algonac,

MI. Doors open at 4, memorial at 5, and dinner at 6. Cards, chips + salsa, and fun until 8. In lieu of

“*Mr. Mesclier was one of kind...always happy to see you and welcoming. He was a good clean-cut man that worked hard and put his family first above anything. The relationship between he and Linda was something you don't see often especially now a days. They truly had a love and respect for one another that you can only hope for as you grow old together. I am saddened by his passing because I know how much that he will be missed not only by his family but for all those who knew him. He was just the right amount of kind and firm and for some reason when you around him you felt safe. He was the type of person who was genuine and cared about those whom he loved and held close. I will miss his bear hugs and warm smile. Rest in peace Mr. Mesclier you were one of the good guys, the loyal guy, the no nonsense guy...just one good honest man that that had a huge heart and lived a full life. God Bless Linda & Family...much love Rose Shalda, Robert Shalda & Family*
