“ Dear James & Rose, We were sorry to hear the news of Margaret's death. We had last seen her in Oct. when we had visited at her residence home in Port Huron. She seemed healthy then & we had a nice visit with her sharing memories of our two families while growing up on the farm in St. Clair. We were thankful that she shared with us that she trusted in Jesus Christ as her Savior & knew that she would be in Heaven when she died. My wife & I are both saved & are looking forward to being with Jesus & seeing our loved ones again. We hope both of you & your families are Christians & will be in Heaven & be with Margaret again.. There are not too many of her family left. Howard had recently died also. We live in Ypsilanti, Mich. & was able to attend her family reunion 3 years ago & got to spend time with some of our first cousins that we had not seen for over 50 years. We will be praying for you & your families. In Jesus love, Gordie & Brenda Hyslop. P.S. I still remember both of you when you were growing up with your family when you lived on Gratiot Ave in St. Clair. I would love to hear from you. See Gladys. she has our address. :)
