“ *My deepest sympathy to Margaret's family. She was one of my special friends when we were in school together many years ago. I was so pleased to have lunch with her when I visited Port Huron in May, 2007.*

“ *Aunt Margaret will be greatly missed by her husband, kids, grandchildren and great grandchildren. They were always the most precious in her life... Next came family and friends..... :) She told me once that she always enjoyed talking to me - that I always made her think of me as her daughter.... She no longer needs to struggle with pain... she has joined the Lord and many others in our Family.*
