“ Maggie had the biggest heart! She loved and cared for all of her family so much! She was a great friend to me as well, as we talked openly about the highs and lows in our lives.
I am happy she is reunited with the love of her life that she never got over losing, and I know that someday Mags and I will see each other again because we both shared our faith out loud!
I am sad for Amanda and the rest of her family, but I know she will live on in their hearts.
