“ I was a wellness assistant at Masonic for a few years and Margaret was one of my favorite people to visit at night. With her, it wasn't just about popping in to tidy up a little and pass her her medications. She wanted me to sit for a moment, tell her how my day was going and give me a hug and often a snack. Her and her little baggies of sweets. I loved hearing about her days as well and if it wasn't a good one, I loved just listening to her and making her feel better. She really appreciated me and I hope she knew how much I appreciated her. She made it more than just a job. Rest in heaven Margaret

“ Don. Joe and Brian, I really enjoyed working with your mother both in the Clerks Office and the Register of Deeds. Your mother always showed up for work, put in a good days work, and was equally pleasant with the rest of the staff and customers. We shared many laughs and memories. May she rest in peace.
