“ I am so saddened to find out that Margie passed away. She and my Mom were good friends when we lived across the street, on Flamingo. They talked every once in awhile on the phone. My Mom has been trying to phone her, and then I found out she had passed. I will never forget her extreme kindness to me when I was pregnant with my daughter in 1980. She helped make a very difficult time, so much easier. I appreciated her so much. We loved her. Keeping all of her family in our thoughts and prayers. I am sure that she is missed so much. ❤️

“ Every time we went to Grandma's house she had really nice wooden floors and she would give us footies to where which we did mind because then we could slide around like we were on ice. We spoke over the phone a few times in the last few years and she still made me laugh we talk so much about the old times will miss you. Love Jeff Truett
