“ *Marguerite was kind, loving, and very fun. I enjoyed her company, she always had a way to make others feel welcome and make them smile. Her laughter was infectious and her personality was remarkable. She loved her boys so tenderly, a proud mother she was. Rest in peace and may God continue to be with you always.* ”

“ *I had the privilege of working with Marguerite at the high school, and I was saddened to hear of her passing. I have fond memories of her kindness and pleasant nature toward everyone, including the students. She was always willing to help students find their way through any situation they were facing.*

I admired her tenacity and the way she remained true to her beliefs. Rest in peace, Marguerite. I hope your retirement brought you many joyful and peaceful moments.

Fondly, Lori Boseak

“ Margie has been one of my best friends for 57 years, we've grown side by side. From high school, from our marriages to the birth of our sons. Working together every summer taking care of peoples gardens. She taught me so much about plants. Her love to make stain glass that she taught me how to make stain glass stepping stones and she helped me see beauty in every step of our lives. My heart is aching but God has called her home. I miss you more than words can say. You will always be with me in my heart and when I put out the stepping stones and my hostas garden which you helped me start. I love you my dear friend.

“ I met Margie years ago and always enjoyed her company and energy. I hadn't seen her in many years until, as so often happens these days, I talked with her and John at a funeral. She was still her same sweet self. Thinking of John, her sons ,granddaughter and her family. Hoping they can find comfort in the many memories they have. Jeannie Ruhlman Boudreau
