“ *Maryel was one of the first persons that we met when we came to Venetian Park. She became one of our very best friends. Always the party girl, we spent many nights playing Texas Holdem and doing shots. We will forever miss her at the dances and other parties at the clubhouse. Barb & Chuck*💕

“ *It is with a heavy heart I learned of the passing of your dear mother and grandmother. Nothing and no one can ever replace the loss of someone so dear. I realized the love she imparted to her family during the past year of her illness, reading of the emotional dealings and encouragement of the family. Bob, I hope you and your children and grandchildren can find solace in the joy of memories of your dear mom and it helps get thru this difficult time. ella and cliff*

I look back with affection remembering Marielle's shining bright light and her great smile as I teased her calling her and her friend, "Thelma and Louise". She had a great laugh, a great sense of humor and amazing heart. I pray for the family that they find comfort during this time knowing there is another addition of this beautiful soul in Heaven.
