“ *I remember Aunt Marilyn as a sweet kind woman who could make the best brownies ever. She produced a beautiful quilt for me and my husband Jeff when we were married years ago. She gave me some wooden pictures that she had crafted and painted with her special grace. I treasure them. My thoughts are with all who are saddened by her passing. She is in my prayers.*

“ *Along with Marilyn, I was one of 9 grandchildren of Harold and Bernadine Muir and the bonds we shared growing up as a group of cousins was deep and delightful. Many, many times at each others homes and at our grandparents home. Marilyn and her sister Judy were tolerant and kind to take me along as the younger cousin to many great outings to Imlay City for roller skating. She and Dick were awesome skaters! Over the years we've not spent as much time together, but I'll always hold her in my heart as a very special person. Love to Mark and Kathy and your family. We are in Oregon for Thanksgiving week, so will miss the memorial.*

“ I was blessed to have Marilyn as my cousin. We spent many good times together. At this Thanksgiving time, I remember all the times we spent at Grandma & Grampa Muirs in Valley Center. I also had the priviledge of working with her at Marx Jewelers for many years. I have ived in Arizona for many years, but always enjoyed going to lunch with Marilyn every summer. Marilyn will be missed.

My memories of your mother go back to the jewelry store she had worked at in the past (Fox). She was ALWAYS so kind, thoughtful and understanding when I took my mother there for watch repair or for them to replace a battery for her. Kathy, you are a lot like your mother in personality characteristics. You are a part of her and your dad. I sorry for your loss. Prayers for you and you family. Nancy Maxwell
