“ *When Marita was teaching 2nd grade at a local school, she invited me to come help in her class on holy days when the Catholic Schools were closed. I felt so grown up, although I was only about 10 years old. I will always remember that experience. Maureen Romzek Fogel*

“ I remember Mrs. Konupek cooking me the yummiest breakfast and carrying it up to the "fort"...I remember the tea party she had and we all got to bring a bear or a doll and eat n pink glass dishes....I remember going to etiquette school and modeling at Jacobsons because of Marita. She also paid for me to get guitar lessons. Mrs. Konupek was a very thoughtful woman. She made scrap books for her children. I followed her example and did the same for my daughter, Nicole.....
She will be fondly remembered and greatly missed
