“ *Heather I remember the day Sky was born hanging out in the hall with your Gram. I told her come on we'll sneak down and see what's going on. She kicked up her leg and said let's go. She was such a wonderful lady. Loved her spirit. So full of life here and I'm sure she is lighting up heaven too.*

“ *Heath loved your Gram the first time I met her. I remember her and I sneaking into the delivery room when Sky was being born. She kept saying we were going to get in trouble and I told her to follow me. She kicked up her leg and along the wall we crept to your room. She was an amazing lady. Heaven just got richer. Prayers to you and all your family. Never an easy time. Love to all.*

“ My prayers and thoughts are with all of you. May GOD provide you with the strength you need to cope with your loss. I know you were expecting it to happen at any time, but I remember from losing my own Father that this does not make it any easier. Thank heaven it was peaceful and that she went knowing how much she was loved and supported by ALL of you. I will cherish all the happy memories we had through the years together. She was very dear to me. Her Southern hospitality warmed my heart. I was always welcomed to stay at Mom"s home in North Lakeport and enjoyed listening to her childhood memories. We could talk for hours as long as our pastries were plenty. These memories will live on forever in my heart. My deepest condolences to you and your family.

Love,
Cathy Germaine
