“ *Mark was a wonderful person and great friend. We met at work and became great friends! We always had the greatest conversations that could go on for hours about everything under the sun. Mark was a great influence of the music I listen to today. I will miss him greatly.*

“ *There will never be another smile like yours Markie~ You were one of the most amazing, complicated, sweetest and funniest people I've ever known. You always knew how to make me smile and laugh. We were always brutally honest with each other and for that; I thank you. I'll always watch that you tube video you sent me and be reminded of how much you appreciated every aspect of this world and tried to savor it all. You are no longer here my friend but you are in our hearts and we'll carry you there until we meet again. God speed my friend & until then, let that smile shine bright like a diamond Markie over all those who miss you so. Love you my friend.*
