“ Sparky has been a part of the Edwards' family for many years and will be truly missed. He definitely was one of a kind, we're so sad that he had to leave us so soon. Bernie and family you are in our thoughts and prayers during this difficult time. May you experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds through Christ Jesus, Philippians 4:7. We love you, Lenny and Theresa Edwards

“ Sparky you now have the best seats in the world to watch baseball, may you be received with arms open, and guided with the everlasting light of gods love, you have made plenty of memories, during your lifetime. My son Mike tells me of the times you use to come out to gratiot park while they were playing basketball, and mentor them..,Thank you for that. I hope you memory is kept alive by people talking of you. I'm certain all that knew you have a memory to share with others, because that's the kind of man you were. I know there is a celebration taking place for you, with all those that have gone before you,May You Rest In Peace.

“ Where do I begin, Sparky was definitely one of a kind. I've known him for over 35 years, we got closer when My husband and Sparky started playing softball many many years ago. Sometimes Spark rubbed a few people the wrong way, but not everyone will like what we say or do all the time, and for one I admired him for being himself. He wore a tough guy hat a lot but the people who really knew him, knew he was a good guy with a huge heart. I remember a few years ago a fellow ball player had lost everything in a house fire, I was over Sparky and Bernie's house the day it happened. Sparky had just gotten back from the store to buy clothes, food, personal supplies, even a few toys for the kids. I'll never forget this tough guy looking at me choking up telling me with tears in his eyes, I had to do it Cheryl I know what it's like to lose everything. He ended up going back to the store a few more times too. World won't be the same without ya Spark... 40 & over ball diamonds will never have a "grounds keeper " like you. R.i.p. my friend 💕💕
