“ I think this is the Marsha Grant who played hockey in the 1960's. I'd lost track of her and sorry to see this. The International Hockey Hall of Fame is receiving us in September, 2025, and so sorry she will not be in attendance. If this is the Marsha I knew, she was an outstanding hockey player/skater and always wanted her as a teammate. Wish the obituary had more information (high school, employment, where she lived, etc.) May the puck be with you.

Hello, Marsha.. We all lost track of each of us over the years. Thank you for always being there at my right defence.. I'm sure you remember when our coaches at that time blame you and I for starting a fight.. We couldn't believe it at the time. That was when we had female coaches. Remember times playing hockey all over Canada. I won't forget the times with you and Nancy M arguing how drunk I was. You two were funny. Nancy come out of the shadows. We all miss her.. Everything team member better be found for our great honor. I played from the very beginning, last ten years. Linda Miller, forever Marsha.
