“ *You weren't just my brother you were my friend. I still miss you so!* ”

“ I have many fond memories of my brother Marty. Our mom, now deceased, loved Marty very much and could always count on him for a big hug and kiss and a "I love you mom". Mom always had Marty in her thoughts and heart and always wished nothing but the best for him. A few of the many memories I have remind me that Marty was always ready and willing to participate, and you could count on him to add fun to any event.

- My first car was a 1965 Oldsmobile. Marty couldn't wait to get it into his shop and give it a new paint job. We worked on it all day one Saturday - came out beautiful !

- Having fun with Marty water skiing at Brendal Lake. It was great fun for all when Marty skiid in to the beach, forgetting how shallow the water was and of course flying out of his skiis.

- Driving up north to go canoeing on a hot summer day - with the heater on full hot blowing all the way so that the car didn't overheat! We laughed and sang most of the way up, and had a real good time.

- Bob Seger concert at the Pontiac Silverdome. The concert was long over, the parking lot nearly empty, We had lost Marty inside after the concert, and finally here he came through the almost empty parking lot, singing his favorite Seger song. We had a great time.

- Writing letters to Marty when he was in the Navy. He was always writing letters to us, and it was a big thrill to get them and hear the latest news. They were always written on the ships letterhead, which was real cool.

- On the night of my bachelor party Marty spent the night at my house and we had some nice conversations late that night. One of the many things Marty told me was that he had kids later in life when he was a bit older, but he was really happy he had them - if I

was going to do the same, don't worry about it because it would be great. He was also the Best Man in my wedding.

- We will all miss you Marty. I love you ! Say hello to Mom !
