“ *I would never look at feet again the same way after sharing in a class with Rosie. "True service to God and each other should be as humbling and intimate as discipleship, after the feet washing."*

“ *Rose was my great aunt -- and I remember spending time with her at the campground when I was a kid. My grandma, Grace Kraft (her sister), took me to several retreats -- I was even baptized in the lake.*

*I haven't had the chance to see family outside of our annual family reunions -- and I missed it last year. I am sorry I didn't get the chance to go, and I missed my in-person goodbye,*

*Aunt Rose -- I miss you.*

*Uncle Bob -- I love you.*

*To my cousins -- I feel the pain of your loss.*

“ I remember all the fun times we had together on the way and in the park at Cedar Point with our beloved Aunt Rose :).

We went down for a couple days with Uncle Bob and my parents & my brother, Scott. U. Bob would grab us from behind in the roller coasters & say "Now your in for it!! There's no going back now!!! " And he'd laugh so loud. Aunt Rose & my Mom ( Rose's sister Sylvia ) would both scream all the way down the first big hill... !

We'll miss your laughter A. Rose... Love you lots!!
