“*So sad to hear of Mary's passing. She is an amazing, fun, strong woman, who will be dearly missed. I can never thank her enough for what she did for me and Mom when Dad was in the hospital all those years ago. Just having Selena and Mary there with us with their love and humor was enough to make that nightmare less dark. If there is anything we can do to help you all, the same as you have for us, please let me know.*”
