“ You will be greatly missed Mary, I had you and Al as great neighbors for 19 years and we had a lot of great memories. Like the October fest we started after talking while we had a BBQ, and it went on for 9 years and all it did was grow in attendance due to everyone having a great time. And I never had to guess what you were thinking, you sure let me know, good or bad, and the laughs we shared.. Give a hello to Al for me

“ Dearest aunt Mary. I want to thank you for your help after my pa passed. I'll never forget all our late night horror movie marathons. you took my love of the macabre to the next level. I just saw you a year ago and it already seems like a lifetime ago. Rest peacefully and I'll never forget you
