“ I have many wonderful memories of my aunt MaryJean. She was a big and important part in mine and my childrens lives. She showed my children what family was supposed to be, and for that, I am forever grateful. Always there when we needed her and always available to lend an ear. I am blessed to have had many years with her, although I wish there could have been many more. I will miss her so much, but I take comfort in knowing I will see her again.
