“*Dr. Mary was an incredible lady! She helped numerous members of my family on multupal occasions, for many reasons. Her kindness, generosity, plus her degree of talent and professionalism, was truly exceptional. Having the opportunity and blessing to call her "friend," was the best of all! Her loss to the Psychological profession, our community, the people priviledged to call her "friend," and especially her family, are truly at a loss with the passing of Mary. She is and will and always will be missed, very much!*

My dearest and most truly heartfelt condolences to her family!
