“ *Mary Lou was such an amazing woman! Loved being her neighbor for a few years. She was always asking about my mom, who is also going through treatment. I loved our talks outside during the summer, she was so funny always wanting to play with my cats. She even let one in her place once. She reminded me a lot of my grandma, who passed the same year I moved in next to Mary. She gave me an opportunity to ask questions I wasn't able to ask my own grandma, I really enjoyed hearing about life from her perspective. I believe people come into your life at times you need them, and I believe that with Mary Lou. I'm grateful for the 3 years I was able to know her. My love goes out to her for a peaceful rest, and love to her family.*
