“ We are very sorry for your loss, we have many years memories of Mary, she used to like to tell Bob and what to do when we were kids also many great memories of your parents home in Ruby. We know that she is at peace and rests with those who have gone on before. Ron & Ann Quinn, Marshall, MI.

“ I always loved it when Mary could come to the retired teachers' luncheons because she spiced up the conversations with her memories of Yale school district. I knew all four children during high school years but learned more about them as adults from Mom. Dawn came with Mary once and Luella came another time but Samantha came several times, what a jewel! May your family memories comfort you all and know that your mother is "whole" again and watching over you. Mary Thomson

“ *The Yale Education Association will be donating \$40 in your mother's name to the Yale Junior High library for the purchase of books about the United States and its history, it was her passion and she taught it so well. It was an honor to have her as a Yale teacher,*

“ *Aunt Mary I will always remember your crazy actions like mixing paint (did not matter the color just as long as it covered the wall), burning the Mac and chesse (so Dad and Grandpa could fight over the burnt part), taking fast food into the movies (eating hamburgers while watching jaws as a kid? What where you thinking! I still can't handle horror movies), taking us to see Santa at Grand Trunk, coming to visit me as an adult in my own home. There are so many things I remember and I hope others remember these things also to help ease tour passing. Nancy and Bob*
