“ Sweet, dear Mary.....we worked together at Cottage on 3-South for many years! We were a good team. We shopped together for Mary's anniversary lingerie! I spent a lot of time visiting her in her beautiful bedroom on Washington, in Grosse Pointe.....when she was ill with the liver problem. She came to our daughter's wedding in October 1999, and was so happy to be feeling so good after the transplant. She was a lovely friend, and I cherish the good times we shared. So very sad to find the obituary in the Grosse Pointe News. Sincerely, Suzy Mazur, Grosse Pointe Park

“ Michael / Earl / Kathy / Jeff:

*Each of us in the Klein Family would like to express our sincerely sympathy during this time of loss. We hold many treasured memories of your family in our hearts, especially those of your childhood when all the kids played together. Your parents always had an open door, an encouraging word and a welcoming attitude. Now we are all grown and have to face this unpleasant part of life, but know that each memory of years past will remain in our hearts forever. In recent years our mother's enjoyed each other's company as they visited at "the lake." Your mother always had a smile on her face, a hello or come on over for each of us always. She was a thrill seeker on her golf cart, too. Thus the memories continued. She will be missed by all who knew her.*

*We are unable to attend your Mom's memorial due to a family wedding up-north, but know that you and yours are in our thoughts and prayers.*

*Blessings,*

*The Klein Family  
Gladys, Bob, Anette, Dennis and families*

*Thank you, we have many fond memories of Mr and Mrs Klein, and the kids. We had sleep overs as children, I remember swimming in Mrs. Klein's pond. Anette and Dennis were our childhood friends. Good luck to you and yours, I hope Mrs. Klein is OK, I heard she had ill health on the day of the service.*

*God Bless,*
