

Mary J. Sharp

September 23, 1957 - May 16, 2026

Mary Jane Sharp, born September 23, 1957, passed away on May 16, 2026, surrounded by the love of her family.

Mary was a beloved wife, mother, grandmother, sister, and friend whose love and strength touched many lives. She was married to her husband, Gary Sharp, and together they built a family filled with love and memories.

She leaves behind her loving family: her daughter Keli Sharp, daughter Debbi Sharp, and stepson Jason Sharp. She was preceded in death by her son, Frank Sharp, a loss that deeply impacted her life and left a place in her heart that was never truly healed.

She is also survived by her loving siblings: her sister Cecilia Klesko; her brothers Jimmy Haskins (and his wife Kathleen Haskins), Robert Haskins, and Charles Haskins.

Mary was one of the strongest and most caring people you could know. She would do anything for the people she loved and always put her family before herself. She dedicated her life not only to her family, but also to her work, showing unwavering dedication and commitment throughout her life.

Mary was the glue that held her family together. She was the person everyone

leaned on, the heart of her family, and a source of love, comfort, and strength through life's hardest moments. She endured many hardships, including the heartbreaking loss of her son, yet continued to carry herself with strength and grace while giving all she had to the people she loved.

Mary was also a proud grandmother to nine grandchildren: Antonio (whom she helped raise from infancy and held especially close to her heart), Bentley, Maliyah, Chloe, Brycen, Easton, Jada, Maya, and Ryder, all of whom brought immense joy and love into her life.

Mary will be remembered for her strength, kindness, selflessness, and unconditional love. Though she is no longer physically with us, the love she gave and the memories she created will remain in the hearts of all who knew her.

Forever loved, deeply missed, and never forgotten.
A celebration of life will be held at a later date.
