“ Sum years back, Aunt Mary, asked me for a favor. She asked me to call the operator to find out what the Police Stations (Non-Emergency) phone number is and she quickly added in what the emergency number is? So without thinking, I called the operator and asked what the non-emergency is, and I asked what the emergency is. The operator gave me the non-emergency number. An she said " Sir the Emergency number is always 911. I replied " O I know that". And I'm just calling for my Aunt. The operator said, "Ya sure". Man I couldn't wait to call Aunt Mary back to tell her what a fool she just made me out to look like. All she could do is Laugh her but off. So from then on she'd ask me," what the emergency number to 911 is. God I'll miss u Aunt Mary. An I Love u very much.
