“ When Matt was 5, he was starting to doubt Santa Claus. My favorite memory was playing 50 questions with Matt that Christmas eve as he sat on my lap and asked new questions with each present received. I think that I still fooled him that year, but he was very perceptive for a five year old boy!!!

“ I am so sorry for your loss and I know there are no words to comfort the family. I can only say with all of my heart, that Jesus paid an extremely high price to assure that each and every one of us would have a place in his Fathers home. I didn't know you personally Matthew but know many of your family members. May you rest in eternal and everlasting peace and someday, your family, because they simply believe, will see you again. Rest in peace Mathew.....

“ I loved seeing Matt coming around for the holidays and being such a teddy bear with all the kiddos. What a kind, sweet man he was. Always had a kind word to say ❤️

“ I'm so sorry to hear of your sons passing. Our heartfelt condolences to your family. Patrick Markham is our friend and he told us what a fine son he was. We lost a son at age 26; also suddenly. Our lives will never be the same, as will yours. In your worst time of grief, try to remember the great, good, fun times you all had together as a family. Those memories will never fade nor the feeling they give you. Hold on to that feeling.
