“ Matt was my neighbor when we lived in Newark, Ca. My mom babysat Austin. Matt was such a great neighbor. I randomly look up his name from time to time. It's so sad to hear of his passing. He taught us so many things. The reason I know how to swim was because Matt would take us to club sports. My condolences to his family.- rebeca

“ This is such shocking news! I knew Matt at John Glenn where we spent a lot of time together as classmates and where we were both on the swim team attending hundreds of swim practices and meets along with so many other shared memories and fun times through out all our crazy High School party days. Certainly went different directions after those years and lost touch but never lost in thought. Yet I find that we actually lived not far from each other in Florida and just never connected which I regret now. Such a shame to loose him so young. Sending prayers to all his family. 🙏🙏🙏

*May the road rise up to meet you
May the wind always be at your back
May the sun shine warm upon your face
May the rains fall soft upon your fields
and, until we meet again
May God hold you in the hollow of his hands*
