“ My grandma mac raised me with her husband, my grandpa jim. Even though I'm her grandson she loved me as a son and took me in as a young child & showed me the ropes of life as I became a man.. she'd take me on her vacation every year to White Pine MI where she grew up, she went to Ontonagon High school though she didn't finish, she left the upper peninsula all by her self at the age of 16 to follow her older sister Barbara Proffitt whom already started a life down in Detroit. I have many wonderful memories because of this woman & she forever lives on in my heart
