“ *Melisa was the 1st True Love of My Life; she was My First Real Girlfriend; she was the First Woman I asked to Marry. But Most of all; she was the Mother of My beautiful 23 Year Old Daughter, Marjorie Rose and My Handsome 21 Year Old Son, Jonathan Leon. Even though for a Majority of My Kids' Lives that Melisa and I didn't get along so good; she was a very Large part of My Life. The best Memory I can share of Melisa is the Birth of Marjorie, Jonathan's 1st Football Game, as well as Marjorie's High School Graduation. Now it's time for you to Fly To The Angels. We May Not have made it as a Couple to Both Raise Our Kids Together, But I always Loved you and I will until My Time on Earth is done. God Bless You, Melisa, there will never be another one Like you.*
