“ Many of my memories of Melissa come from when we were younger kids, having sleepovers and dancing around the house. She and Melinda were two of my best friends growing up and taught me so much about what true friendship is. I was blessed to know Melissa, and I can only hope that when my time comes I will have left such a profound impact on so many as she did. Rest in paradise Missy, until we meet again. And to the family, my prayers surround you each day for strength and peace, and I have gained an even bigger respect for what wonderful folks you all are. Much love XOXO
