“ Mike was my brother-in-law. The Mike I knew enjoyed being with family, telling jokes (he really enjoyed the telling of the joke, more than any response it generated), and he liked a good meal. I rarely saw him upset - he was a positive person. One of my favorite memories of him was when my son was a toddler. Mike laid out on the carpet in our home and my son would freefall belly flop on top of him. Mike just giggled. I first thought it might hurt Mike but he pooh-poohed that concern. He welcomed it.

I will miss him. He was a good guy with a kind heart. And a flare for fashion.

“ Hey Mike...I'll always remember the good times we had playing golf, playing Euchre, and dining at our favorite restaurant, Mexican Village. You were such a jokester! I imagine you and my Bob golfing now at that great golf course in the sky. No cheating!

“ My cuz..so fun loving. I remember when we are about 8 years old and he peed in the woods in front of me. We thought it was so funny our moms were upset when they found out 🤔🤔. He always cared and loved his family and friends.
