*“ I have a unique way of thinking, Instead of saying he is gone.. I would say that even though he was so badly wanted and needed here on earth with us.. He has just advanced to a greater level of spirituality.. He will never be gone.. not here, in your hearts, or from any ware.. Michael was not a man designed to be forgotten.. Instead he was designed to always linger in your hearts.. He was a good person inside, an angel with broken wings.. He can fly now.. and I will always admire him for the strength that he had..*
