“ Mike always held a special place in alot of people's hearts for various reasons. He was always full of energy and for the most a bit of an adventurer all ways on the move. Too the ones he held close there was nothing he wouldn't do for his family and will be forever missed by them. Mike you will never be forgotten by the who held you the closest "Shelby" Michelle, Nick, Carolin, my heart breaks for your loss. Rest in peace Mike and forever continue to watch over them like you always have.

“ I met Mick and James back in the late 70s. They were your typical boys. I met their mom at her job and would have nice conversations with her. That's when I met the boys. They had a good heart and were a handful at times. They were polite young boys with your typical teenager problems. I have been out of the area over 40 years but I still remember them, they left a lasting impression. May Mick rest in peace and reunite with his brother.

“ *It's been a long time since I've seen Mike. But I've always thought of him fondly. When I first met him we really didn't see eye to eye about some things. Prolly because we were both bull headed lol. But he turned out to be a good friend. My best memory of Mike.... Is him giving my baby boy his first ride on a Harley for his 6th birthday! He really made his birthday a great one! Rest in Heavenly Peace my friend!*
