“ Our condolences to the Blackmer Family. You have all been in our lives for like forever. You are like our own family to us. Our children grew up together. Our Burma Road group were all like our own family as everyone was so close for many years. Mike will be so sadly missed by all. He was a fun loving family man. Our Prayers have been going out to your whole Family. May God Bless you all and carry you through the process of healing and easing the hurt. Time will heal but surely not fast enough. Now I can envision Matthew in his Daddy's loving arms. Two Angels above watching over their family. Love you. Sheree and Dan Evans
