Michael and I spent quite a few years as friends and neighbors, finally graduating from Northern together in 1966. I'm grateful for having known him.

“ I know you're in heaven smiling down on your family and friends. I just want to say thank you for giving me one of the best gifts a guy could ask for and that is a lifetime best friend, who I consider a brother. I'll never forget our memories or how you and Mrs. Bower opened up your household to me and made me feel like a family member. I'll always have family board game nights, sporting events, and probably many more nights where Tony and I kept the whole house up late playing video games and watching TV. So many great times. I'll miss you. Until we meet again.

“ So sorry to see this today. As I looked at the picture I could see Vinnie and after reading the obit realized I was a relative. We as an expanded family lost touch over the years.
Jean, his mother was my first cousin as her father George and my mother Loretta were brother and sister.
As a child I loved to be around Jean and Vinnie.
My condolences to the family in this loss. Joan Green Miller

Our deepest sympathy Jo-Anne and family. Always enjoyed my times with Michael, golfing and occasionally breakfast. Got a great kick out of him calling me “wee laddie” in his best Scottish accent!!!! Rest In Peace Michael. See you on the back nine! John Adams

“ I've known Mike since 1977 in the work place and golfed in the league with him at Marysville, a wonderful man and always enjoyed his company. So very sorry for your loss.
