“ *Travel well and fast my brother! You will be greatly missed by all of the people who's life you touched . A flashback of our times together is rambling in my mind. Say hi to mom dad and Laura Jean. Through time we'll get together.*

“ *Mike and the whole Brisson family were close family friends. I grew up watching his dad bowl with my dad and uncle and ended up bowling with mike as well for years. Mike and I also worked together and he was a great friend. I was lucky enough to get to talk to him a couple times recently and talk about old times and share some laughs. He was a great man and loved his family and was very proud of them. Y'all are in our prayers and you have gained an amazing guardian angel.*
