*My dearest sister, Dale,
My heart is heavy; it doesn't seem possible that another good person has been taken from our lives. We have lost those who meant so much to us... those who were too young and those who were suffering, far too much. Mike was a dear friend of mine. For several years, we rode the bus together to get to our respective jobs in downtown Detroit. Those were fun days! He always had a way to make me laugh! He knew the right words to say! He was "clever" all the time! I guess that came from everything he devoured because of the books he read! I'll miss his wit, his knowledge and his sweet, sincere smile. I am so glad that the two of you were able to spend so many years together. He used to tell me that you were the best! He thanked me for "bringing you to his attention!" Rest in serene peace, my dear friend and brother-in-law. You deserve it! Love, Dorothy*
