“ *I just learned of Uncle Mike's passing. While I haven't seen him often over the years--and not since my grandmother passed 25 years ago--I've always kept him on my mind and tried connecting on the phone. We've talked a couple times in that span. I know he was ill with cancer, and I hope his fight was not too turbulent. The memories I have of him are fun and loving, and I only wish we could have made more. Love you so, Uncle Mike. Say hello to Grandma Toni and Great-Grandma Angie for me. I bet they're so excited to see you!*
