

Michael Earl Collins

October 12, 1981 - April 6, 2023

Michael Earl Collins, 41, lost his battle with addiction. On April 6, 2023.

Michael was born in Warren. To Howard and the late Pamela Collins. October 12, 1981.

Mike was a kind and loving soul. He was the guy That you would call. When you needed something. That would drop, whatever he had going to help. Many times, Michael put your needs ahead of his. Mike was very mechanically inclined. I don't think he ever came across a motor. Or piece of equipment that he could not figure out. Mikey had an infectious laugh. And a sly smile. Then melted the hearts. Of those that loved him. Mike love to go boating and enjoyed many beautiful summer days. On the water. Mike loved. Fast cars and fast motorcycles, But more than boating, cars., motorcycles. Mike loved his daughter, Miracle.

Michael is survived by his daughter, Miracle, Miracle's mother, Rachelle Benson. Also surviving. Michael are father, Howard (Lisa)Collins, his sisters Alicia (Andrew) Moreno, Megan Lockwood, Marissa (Cody)Thompson, Alivia Collins, and Ariel Gonzalez, his stepbrother Matthew (Ashley) Eagle, aunts, uncles, cousins, nieces and nephews, as well as many special friends and extended family members. Michaels' mother Pamela preceded him in death.

I'm Free

by Unknown

Don't grieve for me, for now I'm free.

I'm following the path God has laid, you see.
I took His hand when I heard His call.
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found the peace at the close of day.
If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
yes, these things I too will miss.
Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Don't lengthen it now with undue grief.
Lift up your hearts, and peace to thee.
God wanted me now,
He set me free!

Cremation has taken place. Memorial tributes Can be made to the wishes of the Collins family. A memorial committal service to be held at a later date. To view the obituary and share memories, please visit www.jowettfuneraldirectors.com

“ I'm sorry to our family for Michael's loss. Michael is my best friend. We were each others soul mates. Michael felt very strongly about us and our relationship. He and I, both, were excited to finally be saying or vows soon. He was proud of us and our family that we had started. I know that I love Michael so very much and that I would have never given him up for the world. So, I understand just how much the family must be grieving. Michael's passing is by far the most significant, and devastating loss in my life. He was truly my better half. I just want everyone to know that Michael was really trying. He struggled but he was really excited because we had do much to live for he would say. We had also recently began to see some of the goals we had set as a couple become reality. We had applied for our business tax ID and registered our business name and plan with the State. I recently received the congratulatory letter from the State of Michigan. They approved our business. I just would like those that cared about Michael to know that he was happy. Yes, he struggled with some personal things here and there. But, he was genuinely happy and really excited lately. His untimely passing was really just an accident. He would never intentionally chose to leave his loved ones in this way. He loved everyone. Now, I'm not going to pretend that I'm not struggling right now with the loss of my husband because I am completely lost without him. I just want everyone to know how thankful I am for all of you and your support, especially for the love and support for Howard. I love him as if he was my actual Dad. Please just remember all the good times you had with my best friend. I'm sure he is smiling really big right now, seeing the outpouring of love for him. Thank you, Rachelle.

Rachelle Benson Collins - April 15, 2023 at 02:30 PM
