“ Well Papa, we spent many many hours sipping coffee hours on end, yakking about anything and everything under the sun. You always had a lot to say, along with some sage advice. You were always true to your word and I could always count on you and Carol to be a forever friend. I'll never forget, "you're not listening" lol... You valued being understood. I hope your body is at peace my friend. Give hugs and say hello to Bryon and Mike for me. You guys will always be a part of who I am. I love you forever ❤️
