“ *My father was my Hero. He was an outstanding father, always there to give love and kind words of wisdom. He was a great role model and a great man to look up to. Everything I have ever learned was because of my father. If I could be half the man and father of my Dad, I would be happy. I miss you and love you so much Dad. I just want you and mom to both know that I am so happy and so lucky to have parents like you both.*
Love always, Mac
