“ Michael you beautiful soul we shared many a nite playing shift board games Watch many sporting games. You were a laid back kind of guy. A man is now gone up in heaven to be with our savior Jesus Christ. Michael made a foot print on this world that can never be forgotten. Michael Angel was his loving wife Debbie's love and care beyond all others. The love and support from Debbie could never be undeniable.

May God watch over you , Untell

You both be reunited again I will never forget meeting both of you.
