“ I always remember the fun we had when our families camped up North in the U.P. the summer before my sophomore year of college. All of us cousins running around in the woods, swimming the lake, cooking around the fire. Thank you for teaching me how to fish. And there are no words to adequately express my love and appreciation to you for driving Aunt Kathy to be with my mom at the end. They had a very special sister bond, and it meant the world to all of us that you made that happen and were also there for Ryan, working on cars together..  
Rest in peace, Uncle Mike. You were loved and will be greatly missed. Sending hugs to cousin John with you.
