

Michael T. Mullins Sr.

September 24, 1957 - May 2, 2025

It is with overwhelming sadness that we announce on May 2nd, 2025, Michael Thomas Mullins (Papa), 67, lost his long and arduous battle with cancer at home surrounded by his loved ones. Mike was, as he would say, a "Truly Blessed Man" to have so many wonderful people in his family. Mike loved to be creative, always sculpting, building, fixing, and molding just about anything he saw potential in. His unique view of life and all of its mysteries and complexities inspired others. Mike was never one to shy away from telling a joke or an interesting fact. His pride and joy was his family: his wife, kids, grandchildren and great grandchildren. His wife, Ann Mullins (Quintano), has been the love of his life for 51 joyous years—truly his angel and forever best friend, always at his side.

He is survived by his two daughters, Anna Morrison (Dan) and Christina Golenberke (Mike), and his son Michael Mullins Jr., along with 8 grandchildren—Matthew (Laney), Max, Drake (Sabrina), Devin (Stacy), Nevaeh (Adria), Alex, Leia and Kylie—and 6 great grandchildren—Remy, Wesson, Serenity, Grace, Hope and Joy—as well as a great number of family and friends that will remember him fondly and miss him dearly.

Mike was preceded in death by his parents Patricia and Thomas Mullins, as well as his 4 older siblings and beloved in-laws: Anna, Albert and Charlie Quintano, and Paula and Ken Carson.

The family wishes to thank McLaren Hospice for the quality of care and friendships made.

The family will hold a celebration of life on May 18th, 2025 from 2-6pm at the Lexington Lions Hall - 6964 Huron Ave., Lexington.

Jowett Funeral Home is privileged to serve the Mullins Family.

“ Very saddened to here the news of Uncle Mike's passing. My sympathy's go out to his family and friends. My mom (Carol Gardner/Tuckey) would have me and my Sister, Kathy Gardner/Kruse, pray for Uncle Mike during our nightly prayers. When I was very young I have a great memory of my dad (Tim Gardner) allowing me to ride with Uncle Mike in his cool muscle car. (I don't remember what kind of car it is was I just know that it was cool:) I thought I was so cool when Uncle Mike drove around my Mom and Dad and I waived at them when we flew passed them. I remember telling kids at school about my cool Uncle Mike and his awesome car. I also appreciated him attending Kathy's wedding. When he introduced himself to me, because it had been many years since I had seen him at my dad's funeral, he hugged me and I broke down crying and he kept hugging me and wouldn't let me go until I had calmed down. He allowed me to grieve and let out emotions that I had kept hidden and buried over the passing of my dad. Even though I didn't see Uncle Mike very much he always meant a great deal to me because I know he truly cared.

“ I am so sorry to learn about Mike's passing. I worked with Mike for a while when he tried his hand in the car business, his customers loved him. Mike was a man of unwavering integrity, his family meant everything to him, a true joy to talk with and spend time. Mike was an exceptionally talented artist, fabricator his work was incredible. Mike would bring some of his pieces to work, they were so good it was mind boggling. Thoughts and prayers to his family, Mike will be missed by all who were lucky enough to be his friend.
